Bottle of 180 g, Refill bottle of 180 g

Art. No.:

74469, 24157, 24158, 24211, 24212

Toxicological and ecological information

The product is classified as irritant, i. e. short, frequently or prolonged contact with eyes may cause inflammations. The product complies with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents.

Handling, storage and disposal considerations

Keep container tightly closed, protect against humidity, water and heat.

Waste code product: 20 01 29

Hazards identification

Warning

H319: Causes serious eye irritation.

H335: May cause respiratory irritation.

P101: If medical advice is needed, have product container or label at hand.

P102: Keep out of reach of children.

P261: Avoid breathing dust/vapours/spray.

P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

P337+P313: If eye irritation persists: Get medical advice/attention.

P501: Dispose of contents/container in accordance with local regulations.

First aid measures

In case of accident or if you feel unwell, seek medical advice immediately (show directions for use or safety data sheet if possible).

General information: No special measures required.

After inhalation: Supply fresh air.

After skin contact: Immediately rinse with water.

After eye contact: Rinse opened eye for several minutes under running water. Then consult a doctor.

After swallowing:

Rinse out mouth and then drink plenty of water.

Do not induce vomiting.

If symptoms persist, consult a doctor.
